FROZEN YOGURT

## Chilly Freeze

*A well know playground game, 'Freeze' is popular with children of all ages. Best played on a dry day!*

### HOW TO PLAY

One child is chosen to be "it", Let's pretend Bessie is 'it'. Whenever Bessie catches another child, that child must remain frozen in place, with their feet wide apart. The frozen player can only be "unfrozen" if another child crawls between his/her legs!

The last player to be frozen becomes "it" for the next round.
